Devins & Bolton-Gentlemen: For the last eleven months I have been suffering almost daily from several attacks of Dyspepsia so much so that I could with difficulty retain a meal in my stomach more than twenty minutes. At night I experienced a great burning in or about the region of the heart; a general depression of spirits, attended with frequent headache, dizziness or dimness of sight. I tried various catharties, compounds, and stomach preparations, without being afforded any effectual relief, till I used four bottles of Hubbel's Golden Bitters, since which period I

have not been troubled with a single one of the

above complaints. From the benefit those Bit-
